

## **Retrofit of Fincor DC Drive**

Customer's Original Panel "to be replaced"  
Fincor DC Control and required  
related components

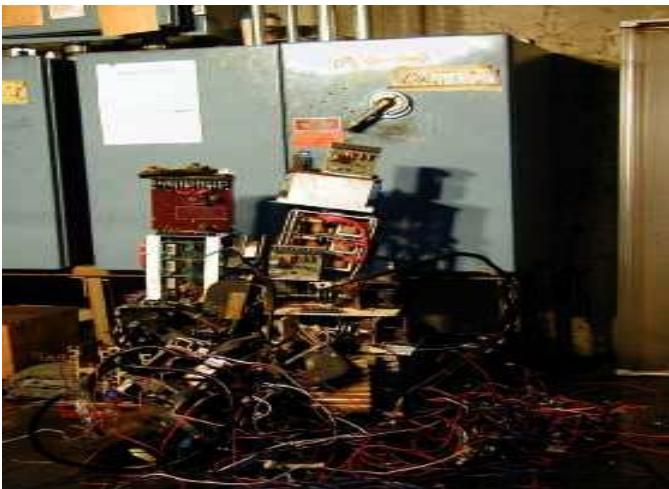

Customer's "Renewed" Panel

Shown retrofitted with NEW Bardac  
Power PLX DC Drive.

The end customer, a printing house, is  
ecstatic with the

- Performance
- Ease of set up
- Diagnostic capabilities of his  
new digital DC drive.

**Customer Question**  
What to do with this?
